**Subject:** Later this am

Chuck Durham is doing the pretreatment audit at MWRA starting tomorrow in person. He's flying in later this am and I am going to pick him up at the airport and go over some things with him since I cannot attend the audit. Given that, just FYI, I'll be away from the computer for a bit today if you are looking for me but will have my phone so call if you need anything. I'll be on the call this am
